Enjoyment

Courage

Kindness

This is my school. I can
play on the grass while I
wait for the gate to open.

When the gate opens, I walk up to
my
classroom. There will be a grown
up at the gate if I need help walk-
ing up to my class.

When I arrive at my
classroom, I put my bag
on my peg.

This is the door to my class! I am in Class 1L.

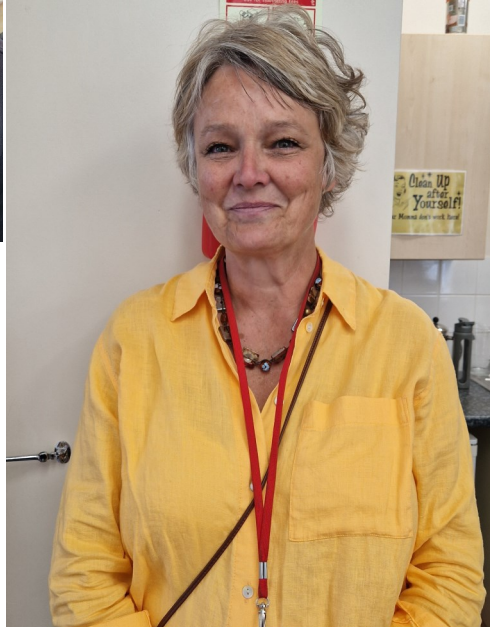

My teacher will be,
Mrs Lawrence.

This is Miss Newton.
She will help me to learn
new things.

This is Mrs Stone, she
will also be in our class-
room.

These adults may cover the class when Mrs Lawrence is not in: Mr Minter, Mrs White, Mrs Carter, Mrs Skinner & Miss Heard.

This is the toilet area.

If I need to go to the
toilet, this is where I will
go.

At play time - I can go to
these places outside.

If I need some
quiet time,
I can go to the
Inclusion
Room
and see Mrs Hartley.

This is the classroom.

This is Mrs Cork. She is the
Acting Head teacher. She
looks after the children and
the school. She might come
into my class and say
“Hello”.

This is Mrs Brennen and Mrs
Howells. They our are
Acting Deputy Head teachers.
They look after the children and
the school. They might also come
into my class.

What do I do at Lunchtime?

I line up by the silver trolley and wait to be given my lunch tray if I have hot dinners. Or I take my packed lunch to the table.

I will be given a tray, a fork
and a knife by one of the
grown ups.

After that, I will walk around to the kitchen area and wait to be given my dinner.

I can also go and visit the salad bar! I can help myself to any of the salad.

A grown up will help me if I need it.

Sometimes the hall can be loud and
busy, I can use the
Quiet Club room to eat my lunch and
then I can
colour in or go out to play.

Then I go and sit down at the table and start to eat my dinner. The grown ups can help me to pour my drink.

When I have finished my dinner, I put my hand up and ask to leave the table. I walk over to this part of the hall and give my tray to a MDA. Then I can go outside to the playground.
