This is my school. I can play on the grass while I wait for the gate to open.

When the gate opens, I walk up to
my
classroom. There will be a grown
up at the gate if I need help walk-
ing up to my class.

This is the door to my
class! I am in Banyan
class.

When I arrive at my classroom, I put my bag on my peg.

This is the classroom.

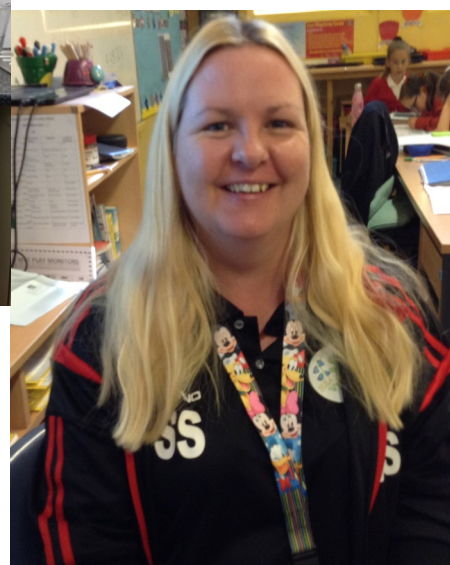

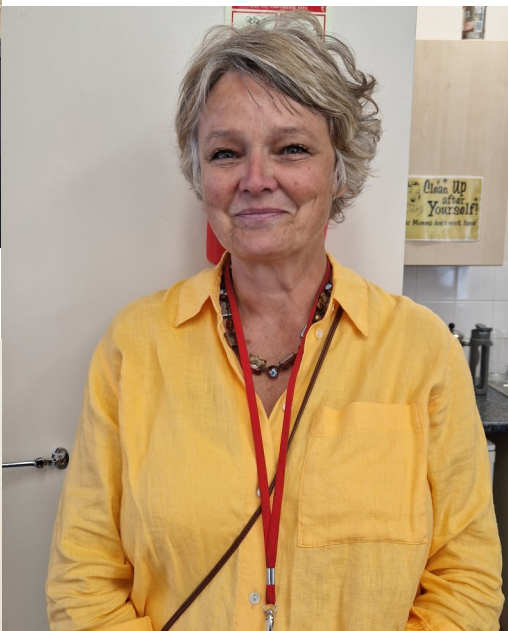

These are my teachers,
Miss Hallpike and
Mrs Nakum

**This is Miss Peach & Miss
Yates. They will help me to
learn new things.**

This is Mrs Powell, she will also be in our classroom.

These adults may cover the class when Miss Hallpike and Mrs Nakum are not in: Mr Minter, Mrs White, Mrs Carter, Mrs Skinner & Miss Heard.

This is the toilet area.
If I need to go to the
toilet, this is where I will go.

At play time - I can go to these places outside.

If I need
some quiet
time I can go
to the Inclu-
sion Room and see
Mrs Hartley.

This is Mrs Cork. She is the Acting Head teacher. She looks after the children and the school. She might come into my class and say “Hello”.

This is Mrs Brennen and Mrs Howells. They our are Acting Deputy Head teachers. They look after the children and the school. They might also come into my class.

What do I do at Lunchtime?

I line up by the silver trolley and wait to be given my lunch tray if I have hot dinners. Or I take my packed lunch to the table.

I will be given a tray, a fork and a knife by one of the grown ups.

After that, I will walk around to the kitchen area and wait to be given my dinner.

I can also go and visit the salad bar! I can help myself to any of the salad.

A grown up will help me if I need it.

Sometimes the hall can be loud and busy, I can use the Quiet Club room to eat my lunch and then I can colour in or go out to play.

Then I go and sit down at the table and start to eat my dinner. The grown ups can help me to pour my drink.

When I have finished my dinner, I put my hand up and ask to leave the table. I walk over to this part of the hall and give my tray to a MDA. Then I can go outside to the playground.
