This is my school. I can play on the grass while I wait for the gate to open.

When the gate opens, I walk  
up to my  
classroom. There will be a grown  
up at the gate if I need help walk-  
ing up to my class.

This is the door to my class! I am in Lime Class.

When I arrive at my classroom, I put my bag on my peg.

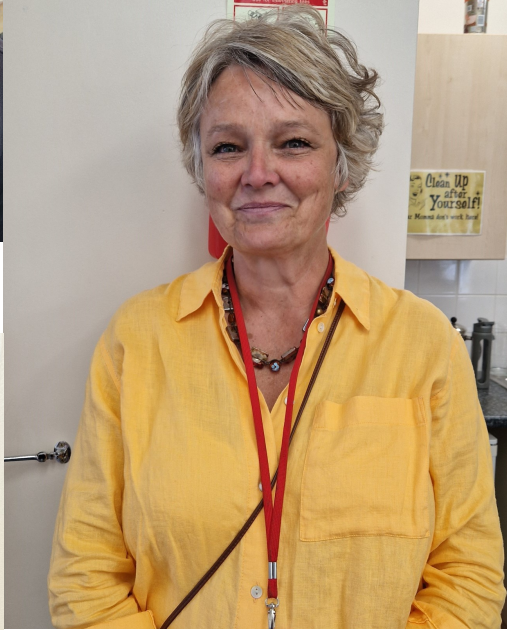

This is the classroom.

These are my teachers,  
Mrs Carter and  
Mrs Sandford.

**This is Mrs Humphries.  
She will help me to learn  
new things.**

These adults may cover the class when Mrs Carter and Mrs Sandford are not in: Mr Minter, Mrs White, Mrs Carter, Mrs Skinner and Miss Heard.

This is the toilet area.  
If I need to go to the  
toilet, this is where I will  
go.

At play time - I can go to these places outside.

Or these...

If I need  
some quiet  
time I can go  
to the

Inclusion Room and see  
Mrs Hartley.

This is Mrs Cork. She is the Acting Head teacher. She looks after the children and the school. She might come into my class and say “Hello”.

This is Mrs Brennen and Mrs Howells. They our are Acting Deputy Head teachers. They look after the children and the school. They might also come into my class.

# What do I do at Lunchtime?

I line up by the silver trolley and wait to be given my lunch tray if I have hot dinners.

Or I take my packed lunch to the table.

I will be given a tray, a fork and a knife by one of the grown ups.

After that, I will walk around to the kitchen area and wait to be given my dinner.

I can also go and visit the salad bar! I can help myself to any of the salad.

A grown up will help me if I need it.

Sometimes the hall can be loud and busy, I can use the Quiet Club room to eat my lunch and then I can colour in or go out to play.

Then I go and sit down at the table and start to eat my dinner. The grown ups can help me to pour my drink.

When I have finished my dinner, I put my hand up and ask to leave the table. I walk over to this part of the hall and give my tray to a MDA. Then I can go outside to the playground.
