

# How The Funds Are Spent

## 2022 - 2023

### **DUCK EGGS & HATCHING KIT**

Every year the PTA support Early Years. The children get to see the ducklings being born in front of their eyes and gain a greater understanding of the duck life cycle.

### **HEADPHONES FOR IPADS & LAPTOPS**

These will support the children whilst using iPads and Laptops to hear sounds more clearly. This purchase helps to support Heathlands in raising the quality of the technology in school.

### **MEXICOLORE WORKSHOP**

Year 6 workshop in which the children learnt about the Maya people and had the opportunity to see real artefacts.

### **ADRIAN HALL EXPLORER WORKSHOP**

Year 2 had a visit from a polar explorer who talked to them about the extreme environments and the essentials needed to survive. This was followed with an orienteering course around the school.

## **YEAR 5 GARDEN PROJECT**

Year 5 – Bulbs, seeds and compost to grow food and flowers from seed. This will link to their topic 'Journeys'

## **LUNCHTIME CROCHET CLUB**

Materials for a new lunchtime club for the older children. Helping the children to learn new skills and have fun at the same time.

## **16 NEW KEYBOARDS**

Opening up the opportunities for every child to fulfil the New Model Music Curriculum requirements.

## **ART & CULTURE WEEK**

The PTA are funding activities for every year group to take part in during Arts & Culture week. Further information to follow.

### **ENJOYMENT FUND**

Each year group have been given funds to spend on a fun activity which links to their current topics. The children will be informed shortly about their activity.

### **MATERIALS FOR CORONATION QUILT**

To mark the Kings Coronation the children are creating a coronation quilt. This pledge is for the materials required. It will encourage teamwork and embraces the school value of enjoyment.

# **£10,781.00**
